

## Speedfol® Cacao SP

### *Related Crops*

Speedfol Cacao SP boost the bean yield as it is specially developed for Cacao crop, including the seven most important nutrients required during the critical growth stages. It maximizes crop yield of vean with superior quality, while minimizing potential yield loss.

### Technical information

<b>Total Nitrogen (N):</b>	12.0%
<b>Phosphorus Pentoxide (P2O5) water soluble:</b>	15.0%
<b>Potassium Oxide (K2O) water soluble:</b>	32.0%
<b>Boron (B) water soluble:</b>	0.04%
<b>Iron (Fe) Chelated EDTA:</b>	0.05%
<b>Manganese (Mn) Chelated EDTA:</b>	0.10%
<b>Zinc (Zn) Chelated EDTA :</b>	0.70%
