

Qrop® K plus – Australia

Related Crops

- Straight potassium nitrate in robust prilled form
- For use as straight application or as a raw material for blends
- Fast dissolution in moist soil = fast effect on crop
- Superior source of potassium due to nitrate association
- No side effect of salinity excess in soil
- Advised in top dressings to meet high K demands during generative stages (fruit set and fruit development)
- Non classified for transport when packaged, easy product to store.

Technical information

Nitric nitrogen (NO₃-):	12.8% min.
Potassium oxide (K₂O):	46.3% min.
Sulphur trioxide (SO₃):	1.7%
Chloride:	<2%
Size guide number (SGN):	270-290
Color:	White
