

Ultrazol® Lettuce Hydroponica 7.8-4.2-33.7 +1Mg +TE

Related Crops

•Concept = 2 pillars :

1.Crop Specific water-soluble NPKs (Ultrazol Crop Hydroponica)

2.Software-guided crop specific nutrient solutions generated by Hydroponica CalQ.

•Cost efficient solution to minimize crop failure and income loss : full crop cycle nutrient requirement covered with only 2 to 3 Ultrazol fertilizers
