

Ultrasol® Tomato Hydroponica 7.5-39-32.3 +2.1Mg +TE

Related Crops

- Concept = 2 pillars :

1. Crop Specific water-soluble NPKs (Ultrasol Crop Hydroponica)

2. Software-guided crop specific nutrient solutions generated by Hydroponica CalQ.

- Cost efficient solution to minimize crop failure and income loss : full crop cycle nutrient requirement covered with only 2 to 3 Ultrasol fertilizers
